ISPEC-GT 2100  The Culture Imperative: Intersections, Cultural Equity, Cultural Arts and Public Policy  (4 Credits)

The course will provide students that opportunity to do a comparative analysis of the cultural policies and practices of Puerto Rico, a commonwealth of the United States, and those of the United States. Central to the analysis will be focused on issues of Cultural Equity in public policy, distribution of resources, racial and economic status of diverse communities. This course is open to NYU and non-NYU undergraduate and graduate students.

Grading: Grad Tisch Graded

Repeatable for additional credit: No
