

INTER-UNIVERSITY DOCTORAL CONSORTIUM (IUCD-GE)

IUCD-GE 3000 Inter-University Doctoral Consortium (1-12 Credits)

The consortium exists to facilitate doctoral students' taking needed coursework at one or several of participating institutions. It is for course-taking only. It does not arrange or sanction dissertation research and/or faculty consultation at member institutions. The consortium provides for cross-registration among member institutions. City University of New York Graduate Center (CUNY), Columbia University (including Teachers College), Fordham University, New School University, Princeton University, Rutgers–New Brunswick (State University of New Jersey), and Stony Brook (State University of New York).

Grading: Grad Steinhardt Graded

Repeatable for additional credit: Yes
