NEUROLOGY (NEURO-ML)

NEURO-ML 2002  Neurology and Rehabilitation Medicine Clerkship  (4 Credits)
Typically offered Fall and Spring
"During this four-week, phase two clerkship, students learn the underlying principles and skills necessary to recognize and manage common neurologic diseases."
Grading: SOM Graded
Repeatable for additional credit: No

NEURO-ML 4117  Neurology for Primary Care  (2 Credits)
Typically offered Fall and Spring
"There are two primary goals of this clerkship: first, to become proficient at obtaining a neurologic history and performing a neurologic exam; and, second, to become familiar with basic neurologic disease processes, their presentation, work-up, and treatment. Students also become familiar with the psychosocial impact of chronic and acute neurologic disease on patients and their families."
Grading: SOM Graded
Repeatable for additional credit: No
