## NOCR-GB 2108 Signature Internship Project: Discovery to Reporting I (0 Credits)

*Typically offered occasionally*

This course serves to complement the Signature Internship Project: Doing Business in the UAE and the Gulf courses. It highlights the beginning and end points of the "typical" consulting process. In their assigned teams, students will work with a dedicated faculty advisor to ensure that they apply the appropriate frameworks, tools, and skills, to their specific consulting projects. Students will work with their advisors in enhancing their team dynamics, ability to gather relevant data from clients, manage the client assigned projects, analyze data, develop and present recommendations, and troubleshoot concerns related to their projects.

**Grading:** Not For Credit

**Repeatable for additional credit:** No
