

# PRIMARY CARE (PRCAR-ML)

---

## **PRCAR-ML 2005 Primary Care Clerkship (4 Credits)**

"This four-week, phase two clinical rotation takes place at NYU Langone Hospital—Long Island's ambulatory primary care sites. Students provide acute care, manage chronic conditions, engage in preventive care visits, and gain a better understanding of the physician-patient relationship in outpatient settings with guidance from an attending preceptor."

**Grading:** SOM Graded

**Repeatable for additional credit:** Yes
