TISCH SCHOOL OF THE ARTS

About Tisch

For over 60 years, the Tisch School of the Arts has drawn on the vast resources of New York University and New York City to create an extraordinary training ground for artists and scholars. Our students pursue their goals in a dynamic, creative environment with state-of-the-art facilities, a collaborative community of award-winning faculty members, internship opportunities with established professionals, and the unsurpassed artistic and intellectual resources of New York City.

Today's cinematic and performing arts influence almost every facet of our culture. Groundbreaking artists and scholars have transformed their fields by redefining the way we think about theatre, film, dance, and new technologies. Artistic leaders, by revitalizing our cultural life, influence our future.

As the performing and media arts continue to increase their impact on society, the Tisch School remains in the forefront. Whether at our Institute of Performing Arts, Kanbar Institute of Film and Television, Martin Scorsese Institute of Global Cinematic Arts, or Emerging Media Group, training at Tisch adheres to the highest standards of excellence set by our illustrious alumni including Alec Baldwin, Marcia Gay Harden, Amy Heckerling, Charlie Kaufman, Tony Kushner, Ang Lee, Spike Lee, Martin Scorsese, Oliver Stone, Jim Taylor, and George C. Wolfe, to name a few. These artists have not only succeeded in their respective disciplines but have charted the course in redefining the performing and media arts.
