

# FACILITIES

---

Tisch School of the Arts is home to hundreds of performance spaces, labs, studios, and rehearsal rooms for artists. Our students engage with state of the art equipment and facilities to constantly create and learn as artists at the forefront of their industries. These facilities include but are not limited to:

1. Virtual Production Studios in Brooklyn's Industry City
2. Moving Image Archiving and Preservation Lab, Scanner Stations, Film Restoration Stations, and Audio Preservation Stations
3. Dance studios and theatres at 111 Second Avenue
4. Graduate Acting Studio Spaces, with further rehearsal and performance opportunities in the Shubert Theatre, Walker Theatre, African Grove Theatre, and Theatre C
5. Film and Television's Post Production Center
6. The Games Center Library, Labs and Co-working Spaces, and Equipment Office
7. IMA Equipment Room, Tools Shop, Physical Computing Studio, Hyper Lab, and Media Commons
8. Darkrooms, Digital Labs & Printers, Library, and Print Finishing at Tisch Photography and Imaging
9. Graduate Musical Theatre Writing Studios
