

# TUITION AND FEES

## Tuition 2025-2026

A student's educational expenses are assessed each semester and are based on the number of credits for which they register. In addition to tuition, students also pay registration/student service fees. The Board of Trustees of New York University reserves the right to alter the schedule of fees without notice. We expect a moderate increase in tuition and registration/service fees each academic year.

Fee	Cost
Tuition per credit, per term	\$2,272
Nonreturnable registration and services fee, first credit, per term	\$571
Nonreturnable registration and services fee, per credit, for registration after first credit, per term	\$79
