

TUITION AND FEES

Tuition 2024-2025

A student's educational expenses are assessed each semester and are based on the number of credits for which they register. In addition to tuition, students also pay registration/student service fees. The Board of Trustees of New York University reserves the right to alter the schedule of fees without notice. We expect a moderate increase in tuition and registration/service fees each academic year.

Fee	Cost
Tuition per unit, per term	\$2,185
Nonreturnable registration and services fee, first unit	\$560
Nonreturnable registration and services fee, per unit, for registration after first unit	\$77
