## Classification of Courses

The following pages contain descriptions of the courses offered at the Steinhardt School of Culture, Education, and Human Development.

All courses at New York University are assigned a two- to five-letter program code as a prefix, followed by a two-letter level (undergraduate/graduate) school identifier and a one- to four- digit course number. Within a given department/program, courses are listed in numerical order.

ENGED-GE 2601 indicates a course in English Education in the Steinhardt School of Culture, Education, and Human Development for master's and doctoral students

ENGED indicates the course is in the Program in English Education
