RESEARCH IN OCCUPATIONAL THERAPY (PHD)

Department Website (https://steinhardt.nyu.edu/departments/ occupational-therapy/)

NYSED: 08200 HEGIS: 1208.00 CIP. 51.2306

Program Description

NYU Steinhardt's Doctor of Philosophy in Research in Occupational Therapy provides occupational therapists with the knowledge and skills to work in the profession as researchers, scholars, and educators. Students will take courses in advanced occupational therapy and other disciplines across NYU. Founded in 1973, the degree was the first PhD of its kind in the world.

Admissions

Admission to graduate programs in the Steinhardt School of Culture, Education, and Human Development requires the following minimum components:

- · Résumé/CV
- · Statement of Purpose
- · Letters of Recommendation
- Transcripts
- · Proficiency in English

See NYU Steinhardt's Graduate Admissions website (https:// steinhardt.nyu.edu/admissions/how-apply/graduate-students/) for additional information on school-wide admission. Some programs may require additional components for admissions.

See How to Apply (https://steinhardt.nyu.edu/degree/phd-occupationaltherapy/how-apply/) for admission requirements and instructions specific to this program.

Program Requirements

Occupational therapists holding a master's degree take a total of 52 credits, including course work, and complete a dissertation. New York University graduates with a master's degree in post-professional occupational therapy must complete a minimum of 42 credits and write a dissertation. Full-time or part-time study is available.
