

STUDENT SERVICES

Registration

Graduate students are responsible for familiarizing themselves with their program's/concentration's degree requirements. The landing pages below for each concentration/program outline the degree requirements, full and part-time course sequences, and include a checklist to help track degree requirements throughout the program.

- Bioethics (MA) (<https://publichealth.nyu.edu/programs/master-arts-bioethics/>)
- Biostatistics (MPH) (<https://publichealth.nyu.edu/master-public-health/concentrations/biostatistics/>)
- Biostatistics (MS) (<https://publichealth.nyu.edu/programs/master-science-biostatistics/>)
- Community Health Science and Practice (MPH) (<https://publichealth.nyu.edu/master-public-health/concentrations/community-health-science-practice/>)
- Environmental Public Health (MPH) (<https://publichealth.nyu.edu/academics/master-public-health/concentrations/environmental-public-health/>)
- Epidemiology (MPH) (<https://publichealth.nyu.edu/master-public-health/concentrations/epidemiology/>)
- Epidemiology (MS) (<https://publichealth.nyu.edu/programs/master-science-epidemiology/>)
- Global Health (MPH) (<https://publichealth.nyu.edu/master-public-health/concentrations/global-health/>)
 - Global Health Dual Degree (DDS/MPH) (<https://publichealth.nyu.edu/master-public-health/dual-degrees/dentistry/>)
 - Global Health Dual Degree (MD/MPH) (<https://publichealth.nyu.edu/master-public-health/dual-degrees/medicine/>)
 - Global Health Dual Degree (MPA/MPH) (<https://publichealth.nyu.edu/master-public-health/mph-dual-degrees/dual-degree-public-administration-mpamph/>)
 - Global Health Dual Degree (MS/MPH) (<https://publichealth.nyu.edu/master-public-health/mph-dual-degrees/dual-degree-nursing-msmph/>)
 - Global Health Dual Degree (MSW/MPH) (<https://publichealth.nyu.edu/master-public-health/mph-dual-degrees/dual-degree-social-work-mswmp/>)
- Public Health Nutrition (MPH) (<https://publichealth.nyu.edu/master-public-health/concentrations/public-health-nutrition/>)
- Public Health Management (MPH) (<https://publichealth.nyu.edu/academics/master-public-health/concentrations/public-health-management/>)
- Public Health Policy (MPH) (<https://publichealth.nyu.edu/academics/master-public-health/concentrations/public-health-policy/>)
- Social & Behavioral Health (MPH) (<https://publichealth.nyu.edu/master-public-health/concentrations/social-behavioral-sciences/>)
- DrPH (<https://publichealth.nyu.edu/programs/doctor-public-health-drph/>)
- PhD (<https://publichealth.nyu.edu/programs/doctorate/>)

Prior to registration, students should review the Graduate Registration Checklist (<https://publichealth.nyu.edu/academics/courses/graduate-registration-checklist/>), as well as their concentration/program's

schedules and planning checklists, which may be found on the Registration & Schedules page (<https://publichealth.nyu.edu/academics/courses/registration-schedules/>). MPH and MS students should also consult with their program advisor and get cleared to register.
