GRADUATE

Graduate Studies

A graduate education brings the work you did as an undergrad to the next level and provides you with the opportunity to focus on the topics and ideas that you care about most. Expectations increase in graduate school. So do the chances to strengthen the skills and expertise that will help you cement yourself as a thought leader and innovator in your chosen field. When you pursue a graduate degree at New York University, you are part of a diverse, dynamic, dedicated community that pushes you every step of the way and supports you at every turn—in a city where resources and opportunities are second to none.
