Student Life

Gallatin's Office of Student Life seeks to enhance the quality of life for Gallatin students both in and outside of the classroom, and to provide an atmosphere where students not only learn, but are also part of a healthy and supportive community within the School.

The Office of Student Life will assist students in achieving their personal, academic and career goals by offering a variety of programs, services and opportunities to enrich the Gallatin student experience. In collaboration with Gallatin's Office of Community Engagement and Office of Student Affairs, the Office of Student Life oversees all club administration and advisement; coordinates major School events such as Orientation, Graduation and Convocation; and manages a variety of programs. The Office of Student Life also supports students in developing projects, cosponsoring activities, and provides resources that will further assist students with their personal and academic endeavors at NYU.
