

RADIOLOGY (RADS-MD)

RADS-MD 4003 Abdominal Imaging (2 Credits)

Typically offered Fall and Spring

Abdominal Imaging

Grading: SOM Graded

Repeatable for additional credit: No

RADS-MD 4005 Breast Imaging (2 Credits)

Typically offered Fall and Spring

Breast Imaging

Grading: SOM Graded

Repeatable for additional credit: No

RADS-MD 4007 Nuclear Medicine (2 Credits)

Typically offered Fall and Spring

Nuclear Medicine

Grading: SOM Graded

Repeatable for additional credit: No

RADS-MD 4008 Neuroradiology (2 Credits)

Typically offered Fall and Spring

Neuroradiology

Grading: SOM Graded

Repeatable for additional credit: No

RADS-MD 4009 Pediatric Radiology (2 Credits)

Typically offered Fall and Spring

Pediatric Radiology

Grading: SOM Graded

Repeatable for additional credit: No

RADS-MD 4010 Vascular & Interventional Radiology (2 Credits)

Typically offered Fall and Spring

Vascular & Interventional Radiology

Grading: SOM Graded

Repeatable for additional credit: No

RADS-MD 4015 Musculoskeletal Radiology (2 Credits)

Typically offered Fall and Spring

Musculoskeletal Radiology

Grading: SOM Graded

Repeatable for additional credit: No

RADS-MD 4016 Thoracic Imaging (2 Credits)

Typically offered Fall and Spring

Thoracic Imaging

Grading: SOM Graded

Repeatable for additional credit: No

RADS-MD 4017 Radiology Subspecialty: Education (2 Credits)

Typically offered occasionally

Radiology Subspecialty: Education

Grading: SOM Graded

Repeatable for additional credit: No

RADS-MD 4021 Head & Neck Radiology (2 Credits)

Typically offered Fall and Spring

Head & Neck Radiology

Grading: SOM Graded

Repeatable for additional credit: No

RADS-MD 4027 Advanced Vascular Interventional Radiology (4 Credits)

Typically offered Fall and Spring

Advanced Vascular Interventional Radiology

Grading: SOM Graded

Repeatable for additional credit: No

RADS-MD 4036 Advanced Diagnostic Radiology (4 Credits)

Typically offered Fall and Spring

Advanced Diagnostic Radiology

Grading: SOM Graded

Repeatable for additional credit: No

RADS-MD 4037 Diagnostic Radiology (2 Credits)

Typically offered Fall and Spring

Diagnostic Radiology

Grading: SOM Graded

Repeatable for additional credit: No

RADS-MD 4038 Diagnostic Radiology Advanced (4 Credits)

Typically offered Fall and Spring

Diagnostic Radiology Advanced

Grading: SOM Pass/Fail

Repeatable for additional credit: Yes

RADS-MD 4039 Diagnostic Radiology Introductory (2 Credits)

Typically offered Fall and Spring

Diagnostic Radiology Introductory

Grading: SOM Pass/Fail

Repeatable for additional credit: Yes
