

# COST OF ATTENDANCE

The expected Cost of Attendance is designed to offer key information pertinent to financial aspects of attending NYU. For specific operational dates related to expenses, such as tuition payment deadlines and financial aid disbursement, kindly consult the Office of the Bursar (<https://www.nyu.edu/students/student-information-and-resources/bills-payments-and-refunds.html>). Certain schools or degree programs may adhere to distinct financial cost estimates, which may override the information provided below. For additional details, please refer to the bulletins of those respective schools and/or programs.

## 2023-2024 Estimated Cost of Attendance Undergraduate Programs

Category	On/Off Campus Student	Commuter Student
Tuition	\$60,438	\$60,438
Food and Housing	\$24,102	\$7,366
<b>Estimated Total Direct Costs</b>	<b>\$84,540</b>	<b>\$67,804</b>
Books and Supplies	\$1,494	\$1,494
Transportation	\$1,154	\$0
Personal Expenses	\$3,034	\$3,034
<b>Estimated Total Indirect Costs</b>	<b>\$5,682</b>	<b>\$4,528</b>
<b>Total</b>	<b>\$90,222</b>	<b>\$72,332</b>

## Explanation of Costs

### Borrowing and Loans

Knowing how much it will cost to attend New York University is important, but so is borrowing only as much as you absolutely need. The costs listed above are suggestions based on our estimate of what it costs to attend New York University. We encourage you to examine your specific expenses and resources to decide how much to borrow or finance. If you take out a federal loan, a mandatory federal loan fee should be included in your cost of attendance budget.

### Food and Housing

The actual cost of your food and housing depends on several factors, including whether you live on or off campus. Some important things to keep in mind as you budget for food and housing:

- New York University offers a range of food and housing plans. The figures above represent a student living in a double-occupancy room and three meals per day.
- Housing includes local telephone service, wi-fi access, and cable television in your residence hall room.
- Our on-campus standard rate is meant to also represent the food and housing cost for off-campus housing. Often the costs are similar.
- Off-campus housing in New York City varies depending on housing options, location, number of roommates, amenities, and more.
- Students who live off-campus can still purchase meal plans.

### Books and Supplies

The amount listed for books and supplies includes computer costs.

### Transportation and Personal Costs

The amounts listed for transportation and personal costs will vary by student. We estimated the cost of transportation equaling one round-

trip travel home during the academic year and local transportation within New York City (i.e. the cost of a monthly unlimited metrocard). Personal costs include miscellaneous expenses like toiletries and other basic essentials a student will need.

## Graduate Programs 2023–2024 Cost of Attendance

All graduate students should refer to the Office of the Bursar for official tuition and fees (<https://www.nyu.edu/students/student-information-and-resources/bills-payments-and-refunds/tuition-and-fees.html>).

## Indirect Expenses

Indirect expenses are estimates of costs that may be associated with your attendance, but are not typically University charges.

## Traditional Programs

### Graduate Students (9 months, spring/fall semesters)

Your living expenses will vary from these estimates based on whether you live on or off campus, have a meal plan, and take university health insurance during your time as a graduate student. Estimated transportation takes into account an average of one trip in the continental U.S. during each academic year.

#### On Campus Students

Fee	Cost
Food and Housing	\$25,871
Books and Supplies	\$1,564
Transportation	\$1,154
Personal Expenses	\$4,046
Basic Health Insurance	\$4,068
<b>Total Estimated Living Expenses</b>	<b>\$36,703</b>

#### Off Campus Students

Fee	Cost
Food and Housing	\$29,344
Books and Supplies	\$1,564
Transportation	\$1,154
Personal Expenses	\$4,046
Basic Health Insurance	\$4,068
<b>Total Estimated Living Expenses</b>	<b>\$40,176</b>
