

# STUDENT SERVICES

---

The following offers essential information pertaining to critical student services and resources, covering aspects such as registration, student accessibility, accommodations, honors, and awards. It is important to acknowledge that while these pages provide valuable insights, they do not encompass the entirety of available services. Students are strongly encouraged to explore the university-wide resources outlined in the following links. Additionally, for a comprehensive understanding of additional services and any updates, please consult your home school's bulletin and websites.
