Faculty
NYUAD's leadership and faculty are researchers, scholars, and artists of extraordinary distinction within and beyond their disciplines, and at the same time exceptional teachers, dedicated to supporting and challenging their students and to transforming them into intellectual colleagues. In addition to a growing cohort of full-time faculty, the University also draws talent from across NYU's global network and hosts visiting faculty from outstanding universities around the world.

Today NYU Abu Dhabi has a faculty of over 250 experts who are drawn to the University by the quality and passion of our students, by a very favorable research environment, and, as importantly, by the institution's resolve to contribute significantly to the region and to shape a better world through education and research.
