

# GERMAN (MINOR)

Department Website (<http://as.nyu.edu/german/>)

## Program Description

The minor in German is a flexible course of study, designed to meet students at their current level of proficiency and allow them to refine their skills and knowledge. Students who have just begun learning German at NYU, those who studied it for years in high school, and even heritage speakers are all invited to pursue an individualized version of the minor.

## Minor Declaration

To request declaration of a minor, CAS students should visit the host department. To request declaration of a cross-school minor, CAS students should complete the online Minor Application available in their Albert Student Center. Students may also use the Minor Application (<https://www.nyu.edu/students/student-information-and-resources/registration-records-and-graduation/forms-policies-procedures.html>) in Albert to request cancellation of a CAS or cross-school minor.
