

# DRAMATURGY (MINOR)

## Program Description

This minor is meant to guide your specific interest in dramaturgy and to help you articulate your particular orientation toward the field. Part of the process of completing the minor is working with the Dramaturgy Minor Faculty Coordinator to develop a suite of courses that makes the most sense for you and your interests.

## Minor Declaration

To request a minor be added or removed from your record please use your Albert Student Center. Click on the Academics tab, and then click Minor Application under Planning Tools. New First Year and Transfer students should wait to declare minors toward the end of their first academic year and after discussing it with their academic advisor.
