

# INTERACTIVE MEDIA ARTS (MINOR)

Department Website (<https://tisch.nyu.edu/itp/>)

## Program Description

IMA has designed a minor for current Tisch students who are interested in pursuing studies focused on the proposition that computation—the ability to code, learn new software, manipulate data and create physical and digital interactions—is an essential creative capability. This minor is currently open to Tisch students only.

## Minor Declaration

To request a minor be added or removed from your record please use your Albert Student Center. Click on the Academics tab, and then click Minor Application under Planning Tools. New First Year and Transfer students should wait to declare minors toward the end of their first academic year and after discussing it with their academic advisor.

## Program Requirements

## Policies

### Program Policies

#### Grades

All students declaring a Minor must receive a grade of C or above in order to have the course count towards a Tisch Minor.

#### Course Allocations

Students cannot substitute required classes for the Minors. Classes from other departments cannot be used as a substitution for IMA courses.

As of spring 2015, regarding double-counting of courses for Tisch students: students who have any combination of Tisch majors/minors will only be permitted to count one course towards both areas. Tisch minor courses can be double-counted between two Tisch minors. For all other NYU students, students' should follow their home school academic policies.

### NYU Policies

University-wide policies can be found on the New York University Policy pages (<https://bulletins.nyu.edu/nyu/policies/>).

### Tisch Policies

Additional academic policies can be found on the Tisch academic policy page (<https://bulletins.nyu.edu/undergraduate/arts/academic-policies/>).
