

INTERACTIVE MEDIA ARTS (MINOR)

Department Website (<https://tisch.nyu.edu/itp/>)

Program Description

IMA has designed a minor for current Tisch students who are interested in pursuing studies focused on the proposition that computation—the ability to code, learn new software, manipulate data and create physical and digital interactions—is an essential creative capability. This minor is open to Tisch students only.

Minor Declaration

To request a minor be added or removed from your record please use your Albert Student Center. Click on the Academics tab, and then click Minor Application under Planning Tools. New First Year and Transfer students should wait to declare minors toward the end of their first academic year and after discussing it with their academic advisor.

Program Requirements

The minor requires the completion of at least 16 credits, comprised of the following:

Course	Title	Credits
