Academic Advising at Tisch

You will meet with an academic advisor from your department at least once a semester to discuss course selections for the following term, but you can also schedule additional meetings as questions arise throughout the year. To get the most out of your meeting with your advisor, it's important to come prepared.

The Academic Services team supplements departmental advising and is here to advise you in any area of your academic life at Tisch.

Contact us if you have any questions about registration, degree requirements, study away, minors, exceptions to policies, or anything else related to your academic career. We are located in the Tisch Office of Student Affairs and we are here to help you. Call **212-998-1900** or email us at tisch.academic.services@nyu.edu to arrange a time to meet.

What courses should I take next semester? What are the remaining requirements to fulfill my major? When should I study abroad? These are some of the questions an academic advisor in your department (https://tisch.nyu.edu/student-affairs/advisement-academic-services/contact_advisor/) can help answer.

The Academic Services staff in the Office of Student Affairs is also here to help. We handle the awarding of AP credits, registration changes, minors, second majors, exceptions to academic policies, and anything else related to your academic life. We also work closely with department advisors (https://tisch.nyu.edu/student-affairs/advisement-academic-services/contact_advisor/) to make sure you get the best possible guidance.

Student Employment

Students whose financial aid packages suggests "academic year earnings" are eligible for College Work-Study. Work-Study positions in TSOA typically pay a minimum of \$15.00 an hour. College Work-Study students are required to monitor their earnings in order to anticipate when they will reach their Work-Study maximum. Students should consult with a supervisor when they are close to reaching the award limit.

Students who wish to be employed by NYU must register with the Wasserman Center for Career Development, located at 133 E. 13th Street, 2nd floor (212-998-4730), or online at www.nyu.edu/careerdevelopment/students/oncampus.php. Students must provide proof of employment eligibility. Students who are not U.S. citizens or permanent residents should contact the Office of Global Services (OGS) for the proper forms and for a letter confirming your eligibility to work on campus. Please note that this letter can take up to ten days to prepare. OGS is located at 383 Lafayette Street.

The NYU Wasserman Center for Career Development has listings of all jobs available in the University (and some off-campus), which students may peruse once registered. These can be found on their NYU Handshake platform, <https://nyu.joinhandshake.com>. Students with College Work-Study grantees are urged to find their jobs as quickly as possible in order to get their grants activated. Additional information about work-study jobs in TSOA may be found on the Tisch College Central platform at www.collegecentral.com/tisch, managed by the Tisch Office of Career Development.
