

PROFESSIONAL DEVELOPMENT AND CAREER EDUCATION

The NYU Stern Professional Development & Career Education (<https://www.stern.nyu.edu/programs-admissions/undergraduate/future-success/professional-development/>) (PDCE) team collaborates with student organizations, graduates, and prominent industry collaborators to create initiatives aimed at assisting Stern undergraduate students with career exploration, preparing them for recruitment and professional settings, and facilitating connections with Stern alumni and industry experts. The PDCE team's initiatives complement the career and recruitment services provided by the NYU Wasserman Center for Career Development (<https://www.nyu.edu/students/student-information-and-resources/career-development-and-jobs.html>), which Stern undergraduates can also access.
