

REFUND POLICY

The schedule of tuition refunds is determined by the University. The date on which the refund application is filed, and not the last date of attendance in class, is considered the official date of the student's withdrawal. Students who withdraw by Albert will automatically be refunded tuition according to the published refund schedule (<http://www.nyu.edu/bursar/refunds/schedule.fallspring.html>).

Appeals for additional tuition refunds not in alignment with the University's refund calendar (<https://www.nyu.edu/students/student-information-and-resources/bills-payments-and-refunds/refunds-and-withdrawals.html>) must be submitted to the Committee on Student Refunds via this form (https://nyu.qualtrics.com/jfe/form/SV_6ojzPUWTPgG2JrU/). These appeals should include any relevant information regarding extenuating circumstances or issues that impacted the ability to withdraw as well as the reason the student is requesting an exception to University policy. Refund appeals will only be reviewed within one calendar year of the course withdrawal. The Committee on Refunds will only review refund appeals for courses from which students have already withdrawn.

Please note that Registration and Services Fees are non-refundable.
