DIGITAL ART AND DESIGN (MINOR)

Department Website (https://steinhardt.nyu.edu/degree/minor-digital-art-and-design/)

Program Description

Blending technological skill with theoretical and historical perspectives on the fields, this undergraduate minor provides students with a secondary interest in digital art and design the knowledge and skills to conceive and create digitally based art and design work.

The minor in Digital Art and Design is a 16-credit program that provides students from across the University with technical training, as well as visual communication and digital fabrication skills, along with enhanced creative thinking and critical problem-solving abilities.

Minor Declaration

To request declaration of a minor, Steinhardt students should discuss requirements with the minor department's advising team and complete the Minor Application (https://www.nyu.edu/students/student-information-and-resources/registration-records-and-graduation/forms-policies-procedures.html) in Albert. To request declaration of a cross-school minor, Steinhardt students should complete the online Minor Application available in their Albert Student Center. Students may also use the Minor Application (https://www.nyu.edu/students/student-information-and-resources/registration-records-and-graduation/forms-policies-procedures.html) in Albert to request cancellation of a Steinhardt or cross-school minor. For questions related to the declaration or cancellation of a minor, students can contact the Steinhardt Advisement and Registration Team at steinhardt.advisement.registration@nyu.edu.

Program Requirements

Readings and discussion, along with assigned projects. The studio art minor requires 16 credits, selected from the courses listed below.
