

# FASHION STUDIES (MINOR)

Department Website (<https://steinhardt.nyu.edu/departments/art-and-art-professions/>)

## Program Description

The 16-credit, 4-course Fashion Studies minor provides a versatile pathway into the field of fashion. Students become fluent in the terminology, history, and theoretical frameworks necessary to understand fashion as a cultural force. After completing two core courses, students tailor the minor to their educational and professional goals through electives in curation, fashion politics, brand development, and more.

Spanning five of NYU's global campuses and study away sites, this interdisciplinary minor situates fashion in an international context. The Fashion Studies minor provides a strong analytical and practical foundation for students with a variety of interests – those who are curious about fashion, want to work in design and marketing, or hope to pursue graduate research in fashion or textile studies.

## Minor Declaration

To request declaration of a minor, Steinhardt students should discuss requirements with the minor department's advising team and complete the Minor Application (<https://www.nyu.edu/students/student-information-and-resources/registration-records-and-graduation/forms-policies-procedures.html>) in Albert. To request declaration of a cross-school minor, Steinhardt students should complete the online Minor Application available in their Albert Student Center. Students may also use the Minor Application (<https://www.nyu.edu/students/student-information-and-resources/registration-records-and-graduation/forms-policies-procedures.html>) in Albert to request cancellation of a Steinhardt or cross-school minor. For questions related to the declaration or cancellation of a minor, students can contact the Steinhardt Advisement and Registration Team at [steinhardt.advisement.registration@nyu.edu](mailto:steinhardt.advisement.registration@nyu.edu).
