

# FOOD STUDIES (MINOR)

## Program Description

In this 16-credit minor, students explore the cultural and sociological aspects of food production and consumption, food science, and food identity.

Open to students across the university. To declare a minor in Food Studies, students must meet with an academic advisor to enroll in restricted courses and discuss course selection.

## Minor Declaration

To request declaration of a minor, Steinhardt students should discuss requirements with the minor department's advising team and complete the Minor Application (<http://www.nyu.edu/students/student-information-and-resources/registration-records-and-graduation/registration.html>) in Albert. To request declaration of a cross-school minor, Steinhardt students should complete the online Minor Application available in their Albert Student Center. Students may also use the Minor Application (<http://www.nyu.edu/students/student-information-and-resources/registration-records-and-graduation/registration.html>) in Albert to request cancellation of a Steinhardt or cross-school minor. For questions related to the declaration or cancellation of a minor, students can contact the Steinhardt Advisement and Registration Team at [steinhardt.advisement.registration@nyu.edu](mailto:steinhardt.advisement.registration@nyu.edu).

## Program Requirements

| Course                                | Title                                | Credits   |
|---------------------------------------|--------------------------------------|-----------|
| <b>Required Courses</b>               |                                      |           |
| FOOD-UE 71                            | Fd Issues of Cont Societ             | 4         |
