

NUTRITION (MINOR)

Department Website (<https://steinhardt.nyu.edu/degree/minor-nutrition-and-dietetics/>)

Program Description

In this 16-credit minor, students explore the role of nutrition in healthy living through coursework in food science, human physiology, diet assessment, and electives.

To declare a minor in Nutrition, students must meet with an academic advisor to enroll in restricted courses and discuss course selection.

Minor Declaration

To request declaration of a minor, Steinhardt students should discuss requirements with the minor department's advising team and complete the Minor Application (<http://www.nyu.edu/students/student-information-and-resources/registration-records-and-graduation/registration.html>) in Albert. To request declaration of a cross-school minor, Steinhardt students should complete the online Minor Application available in their Albert Student Center. Students may also use the Minor Application (<http://www.nyu.edu/students/student-information-and-resources/registration-records-and-graduation/registration.html>) in Albert to request cancellation of a Steinhardt or cross-school minor. For questions related to the declaration or cancellation of a minor, students can contact the Steinhardt Advisement and Registration Team at steinhardt.advisement.registration@nyu.edu.
