

STUDIO ART (MINOR)

Program Description

The Studio Art minor allows students outside of the BFA to explore three core areas of contemporary studio practice. The 16-credit, 4-course minor offers a dynamic blend of theoretical exploration and hands-on practice. Students have access to a diverse range of courses encompassing 2D, 3D, and media art, with options including drawing, painting, printmaking, sculpture, ceramics, metalsmithing, photography, digital art, video, and design. Additionally, students can participate in field trips, film screenings, and artist talks, enhancing their understanding of artistic concepts and techniques. To further enrich their experience, minors are encouraged to attend departmental exhibitions and visiting artist lectures, which provide valuable insights into contemporary art practices.

Minor Declaration

To request declaration of a minor, Steinhardt students should discuss requirements with the minor department's advising team and complete the Minor Application (<https://www.nyu.edu/students/student-information-and-resources/registration-records-and-graduation/forms-policies-procedures.html>) in Albert. To request declaration of a cross-school minor, Steinhardt students should complete the online Minor Application available in their Albert Student Center. Students may also use the Minor Application (<https://www.nyu.edu/students/student-information-and-resources/registration-records-and-graduation/forms-policies-procedures.html>) in Albert to request cancellation of a Steinhardt or cross-school minor. For questions related to the declaration or cancellation of a minor, students can contact the Steinhardt Advisement and Registration Team at steinhardt.advisement.registration@nyu.edu.

Program Requirements

The minor requires the completion of 16 credits taken in the Department of Art and Art Professions. Students are responsible for ensuring all prerequisite courses have been completed.
