

STUDIO ART (MINOR)

Program Description

The Studio Art minor provides students from other disciplines the opportunity to work intensively in studio art. Classes are taught by faculty involved in the contemporary art world and may include field trips, and film and image screenings.

Students may choose from a wide selection of studio art courses in 2D, 3D, and media, with the opportunity to explore the areas of:

- Drawing/painting/printmaking
- Sculpture/ceramics/metalsmithing
- Photography/digital art/video/design

Instructors in each of these areas are artists of note actively engaged in their respective fields. As a complement to studio art practice, minors are encouraged to attend exhibitions and visiting artist lectures held weekly in the department.

Minor Declaration

To request declaration of a minor, Steinhardt students should discuss requirements with the minor department's advising team and complete the Minor Application (<http://www.nyu.edu/students/student-information-and-resources/registration-records-and-graduation/registration.html>) in Albert. To request declaration of a cross-school minor, Steinhardt students should complete the online Minor Application available in their Albert Student Center. Students may also use the Minor Application (<http://www.nyu.edu/students/student-information-and-resources/registration-records-and-graduation/registration.html>) in Albert to request cancellation of a Steinhardt or cross-school minor. For questions related to the declaration or cancellation of a minor, students can contact the Steinhardt Advisement and Registration Team at steinhardt.advisement.registration@nyu.edu.

Program Requirements

The minor requires the completion of 16 credits taken in the Department of Art and Art Professions. Students are responsible for ensuring all prerequisite courses have been completed.
