

ENGLISH FOR TANDON STUDENTS (MINOR)

Tandon Policies

Additional academic policies can be found on the Tandon academic policy page (<https://bulletins.nyu.edu/undergraduate/engineering/academic-policies/>).

Program Description

Tandon students may earn a minor in English under an arrangement between NYU Tandon's Technology, Culture, and Society Department and NYU's College of Arts and Sciences English Department. This minor is especially designed for Tandon students to allow for the particular demands of completing a Tandon degree. It should be noted that the requirements for the Tandon English minor are different from those of a CAS English minor.

Admissions

New York University's Office of Undergraduate Admissions supports the application process for all undergraduate programs at NYU. For additional information about undergraduate admissions, including application requirements, see [How to Apply \(https://www.nyu.edu/admissions/undergraduate-admissions/how-to-apply.html\)](https://www.nyu.edu/admissions/undergraduate-admissions/how-to-apply.html).
