

MANAGEMENT (MINOR)

Program Description

The Technology Management and Innovation department offers a minor in Management for students in other majors who wish to complement their major studies with coursework in business and technology management.

Applying for the Minor

Apply for a minor in Albert using the link in the My Academics section of the Student Center.

Students should apply for the minor before applying for graduation. After applying for the minor, the application is then forwarded to the Home School Advising Office, Host School Advising Office, Host School Department/Program, and the Academic Dean's office.

The departmental advisers governing the minor will have access to approve or disapprove the minor online using the Graduation Tracking Search page. If a student is registered for a course for the minor during their last semester, the adviser can still set the status to departmental approved pending current courses.

Program Requirements

The minor requires the completion of 14 credits, comprised of the following:

Course	Title	Credits
Required Course		
MG-UY 1002	Foundations of Technology Management	2
Electives		
Select 12 credits of undergraduate (MG-UY) management courses		12
Total Credits		14
