

# MATHEMATICS (MINOR)

## Program Description

The minor in Mathematics is for students in other majors who wish to complement their major studies with coursework in mathematical topics.

## Applying for the Minor

Apply for a minor in Albert using the link in the My Academics section of the Student Center.

Students should apply for the minor before applying for graduation.

After applying for the minor, the application is then forwarded to the Home School Advising Office, Host School Advising Office, Host School Department/Program, and the Academic Dean's office.

The departmental advisers governing the minor will have access to approve or disapprove the minor online using the Graduation Tracking Search page. If a student is registered for a course for the minor during their last semester, the adviser can still set the status to departmental approved pending current courses.

## Program Requirements

A student not majoring in math or math/physics can obtain a minor in mathematics by fulfilling the following requirements:

- 16 credits of MA-UY courses
- At least 8 credits of MA-UY courses must be in addition to the major's math requirements
- At least 8 of the 16 credits must be taken while enrolled at Tandon
- Minimum 2.0 minor GPA

Course	Title	Credits
<b>Minor Requirements</b>		
MA-UY XXXX	Mathematics Course	4
MA-UY XXXX	Mathematics Course	4
MA-UY XXXX	Mathematics Course	4
MA-UY XXXX	Mathematics Course	4
<b>Total Credits</b>		<b>16</b>

All courses used for the Minor in Mathematics must be pre-approved by the Math Department Adviser. Courses with similar content cannot be used towards the minor.

## Policies

### NYU Policies

University-wide policies can be found on the New York University Policy pages (<https://bulletins.nyu.edu/nyu/policies/>).

### Tandon Policies

Additional academic policies can be found on the Tandon academic policy page (<https://bulletins.nyu.edu/undergraduate/engineering/academic-policies/>).
