

# MULTIFAITH AND SPIRITUAL LEADERSHIP (MINOR)

---

## Program Description

The minor in Multifaith and Spiritual Leadership is a first-of-its-kind joint program offered by NYU Wagner and the NYU Silver School of Social Work. The minor consists of academically-rigorous, civically-engaged classes that provide students of all faith backgrounds (including those who are unaffiliated with a particular faith tradition) the opportunity to engage purposefully in holistic multifaith dialogue, service, and academic work. It also equips students to better understand their own faith traditions and spiritual beliefs while simultaneously engaging in multifaith learning, in and beyond the classroom. The minor is not only for the religious but it is also for students who are interested in faith and multifaith dialogue as important social phenomena, regardless of their own faith stance.

The minor is open to all NYU undergraduate students.

## Minor Declaration
