

SOCIAL AND PUBLIC POLICY (MINOR)

Program Description

Addressing and understanding social policy in areas ranging from education, health, and immigration to social entrepreneurship and the arts is at the heart of NYU Wagner's mission. Drawing on this traditional strength, undergraduates electing the joint Wagner-College of Arts and Science Social and Public Policy minor will receive a broad introduction to social policy-making. They can then choose from among courses covering specific areas of social policy. Whether students plan to pursue careers in the policy arena or merely remain engaged citizens, the Social and Public Policy minor provides a sturdy foundation.

Minor Declaration

Students can apply for the minor via NYU Albert (<http://albert.nyu.edu/>) in the My Academics section of the Student Center.

Program Requirements

Students must complete a total of 16 credits for the minor.
