

# MULTIFAITH AND SPIRITUAL LEADERSHIP (MINOR)

## Program Description

The minor in Multifaith and Spiritual Leadership is a first-of-its-kind joint program offered by NYU Wagner and the NYU Silver School of Social Work. The minor consists of academically-rigorous, civically-engaged classes that provide students of all faith backgrounds (including those who are unaffiliated with a particular faith tradition) the opportunity to engage purposefully in holistic multifaith dialogue, service, and academic work. It also equips students to better understand their own faith traditions and spiritual beliefs while simultaneously engaging in multifaith learning, in and beyond the classroom. The minor is not only for the religious but it is also for students who are interested in faith and multifaith dialogue as important social phenomena, regardless of their own faith stance.

The minor is open to all NYU undergraduate students.

## Minor Declaration

Students can apply for the minor via NYU Albert (<http://albert.nyu.edu/>) in the My Academics section of the Student Center.

## Policies

### Program Policies

#### Minor Policies

1. Credit toward the minors is not given for courses completed with a grade of less than C, or for courses taken on a pass/fail basis.
2. Students can count one course in a minor towards the requirements of another major or minor. Students intending to double count any courses would also need to contact the other major or minor's department to ask if, and to what extent, that department permits overlapping courses.

Students who have declared interdisciplinary minors in partnership with the Robert F. Wagner Graduate School of Public Service follow the academic policies set forth by the home school.

See Undergraduate (<https://bulletins.nyu.edu/undergraduate/>) for schools and policies.
