

SCHOOL OF PROFESSIONAL STUDIES

About Professional Studies

The NYU School of Professional Studies offers a unique brand of industry focused education that prepares students to become leaders of industry. We strive to look ahead, empowering individuals to pursue their dreams and exceed their expectations.

The NYU School of Professional Studies (NYU SPS) is impacting and shaping the future of work and careers. The School is a professional education powerhouse that prepares future leaders with a range of undergraduate and graduate degree programs, as well as a variety of continuing education courses and certificates. We proudly educate a diverse and global body of students, including those who want to advance in their current fields or change industries, finish a degree or tackle a new one, or want the flexibility of full-time or part-time options.

The History of Professional Studies at NYU

Established in 1934, the NYU School of Professional Studies has fostered a rich tradition of serving the City and the world, by educating and enlightening students who are just beginning on their career path, as well as those who are seasoned veterans.
